*Allowable Subject Matter*

This communication is in response to applicant's amendment which is filed March 3, 2005.

The proposed amendment has been entered and made of record. Claim 1 has been amended to more particularly point out and distinctly claim the invention.

Applicant's amendment with respect to the pending claim 1, filed March 03, 2005, places the application in condition for allowance.

Claims 1-9 are allowed as evident by applicant's amendment and argument.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose or suggest a pause control means included in said electronic equipment receiving the signal output from the control means and for placing the electronic equipment in a pause mode for a predetermined period of time before shifting the electronic equipment from the standby-condition to the normally operating condition.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
